About DEC

Bethpage Community Park - Northrop Grumman Offsite (NYSDEC Site No. 1-30-003A)

Operable Unit 3: Former Grumman Settling Ponds Information

The Bethpage Community Park is located on Stewart Avenue in Nassau County, in the Town of Oyster Bay. Bethpage is situated adjacent to the northeastern portion of the Northrop Grumman Systems Corporation Bethpage Facility.

The Onsite (Site Area) and Offsite (Study Area) remedial investigations (RI) and feasibility studies (FS) for Operable Unit 3 (OU3), are now complete.

Based on the findings of the Remedial Investigation (RI) and Feasibility Study (FS) documents, and with comparison to standards, criteria and guidance, the NYSDEC is pleased to announce the release of the Former Grumman Settling Ponds OU3 Proposed Remedial Action Plan (PRAP). The PRAP and RI/FS documents are also available below and at the Bethpage Library, located on Powell Avenue in Bethpage that serves as the document repository for this site. **(Note: Some project documents and/or appendices may not be posted on this web site due to document size. These are also available for review at Bethpage Library.)**

- Remedial Investigation Report (Study Area Groundwater) Operable Unit 3 Former Grumman Settling Pond - Text (PDF) (4.6 MB) - February 2011
- Remedial Investigation Report (Study Area Groundwater) Operable Unit 3 Former Grumman Settling Pond - Tables (PDF) (1.2 MB) - February 2011
- Remedial Investigation Report (Site Area) Operable Unit 3 Former Grumman Settling Ponds - Text (PDF) (4 MB) - February 2011
